

Announcement

CleanUp India 2016

International Conference on Contaminated Site Remediation
and Workshops

Coimbatore, India. 13th-16th December - 2016

International Conference on Contaminated Site Remediation and International Workshops

CleanUp India 2016

Tamil Nadu Agricultural University, Coimbatore
13-16 December, 2016

Objective

CleanUp India 2016 will provide a platform for national and international experts to share their expertise on contamination issues and remediation solutions. The global experience of Cooperative Research Centre for Contamination Assessment and Remediation of the Environment (CRC CARE) will build India's capacity to develop solutions for its environmental pollution problems. The event's presentations and exhibits will highlight current scientific knowledge, examine how the burning issue of environmental contamination is being tackled around the world, and propose solutions relevant to India.

Topics

Ecological risk assessment; Human health risk assessment; Assessment and management of pesticide residues; Contaminants in food and risk implications; Remediation of contaminated soils, sediments & water; Remediating & recycling wastewater including industrial effluents; Air pollution: characterisation and risk; Municipal solid waste management; Management of electronic waste; Contamination issues - case studies in India; Contamination in Indian rivers & lakes; Mine site rehabilitation; National and international regulatory frameworks; Community engagement, media and social media; Emerging environmental issues; Contaminants in the Indian environment; Tackling contaminated sites in India - global CARE; Remote sensing & GIS applications in remediation; Nanotechnology applications in remediation

Call for Papers

Original research papers are invited for oral and poster presentations on broad themes of the conference. Participants can download the abstract guidelines and templates from www.tnaucleanindia.com. Abstracts can be submitted via os@tnaucleanindia.com within the stipulated time. Selected papers from each theme will be peer reviewed post conference and published in special issues of reputed Elsevier Journals. Last date of extended abstract submission is **10 October 2016**. For further information write to Prof. S Avudainayagam, Organizing secretary, CleanUp India 2016. Email: os@tnaucleanindia.com
